1496 Wright Road  
Phone: 071 688 1860  
Email: rethabileliphalane213@gmail.com  
GitHub: github.com/rethabileliphalane213-lab

## PROFESSIONAL SUMMARY

Full Stack Developer with experience building responsive web applications using JavaScript, TypeScript, Python, React, Node.js, Express, EJS, and PostgreSQL. Skilled in developing both frontend and backend solutions, creating RESTful applications, working with databases, and building interactive data visualizations. Passionate about creating efficient, user-friendly software and continuously expanding technical knowledge through hands-on projects.

## TECHNICAL SKILLS

**Programming Languages:** JavaScript, TypeScript, Python

**Frontend Technologies:** React.js, HTML5, CSS3, Bootstrap, Sass, D3.js

**Backend Technologies:** Node.js, Express.js, EJS

**Database:** PostgreSQL

**Tools & Technologies:** Git, GitHub, REST APIs, Responsive Web Design

## PROJECTS

**Personal Portfolio Website** - Designed and developed a responsive portfolio website showcasing projects, technical skills, and professional information.

**Inventory Management Application** - Built a full-stack CRUD application using Node.js, Express.js, EJS, and PostgreSQL.

**Weather Application** - Developed a weather application using asynchronous JavaScript and external APIs to display real-time weather information.

**Data Visualization Projects** - Created interactive visualizations using D3.js, including charts and data-driven interfaces.

**Frontend Development Projects** - Built responsive web applications and interactive JavaScript projects demonstrating modern web development practices.

## EDUCATION

Self-Taught Software Developer

FreeCodeCamp Coursework: Responsive Web Design, JavaScript Algorithms and Data Structures, Frontend Development Libraries, Data Visualization

## ADDITIONAL INFORMATION

Strong understanding of full-stack web development principles.  
Experience building database-driven applications.  
Familiarity with RESTful API development.

Proficient with Git and GitHub.  
Committed to continuous learning and professional growth.
